Corporate Ideologies

CLIENT CENTERED SERVICES

We attend to and recognize the core strength in all people and the larger community. We provide positive unconditional regards for the opinion of others to include their experiences, feelings, and needs.

MODERNIZATION AND DEVELOPMENT

We have created a culture of innovation and self-discovery where all voices are heard, and all forward-thinking ideas and concepts are explored.

COMMUNITY FIRST

Our staff strive to respect the rights and dignity of all people, cultures, and communities.

EMBRACING AND RESPECTING DIVERSITY

We promote principles of diversity in all aspects of our business practices.

CONSEQUENCES

We continue to strive towards transparency and accountability in ourselves first and in all persons, who partner with us as change agents.

TEAMING

We welcome all positive innovative ideas and collective thoughts intended to move all people in a direction of hope and change.

I.E.R., LLC. Established in 2007 offers behavioral management consultants who are seasoned clinicians, mentors, role models, and professionals etc. who promote behavioral change through the recognition that individuals have an innate desire to survive and overcome life's obstacles in the anticipation that their lives will improve.

At I.E.R., LLC., We strive to increase one's intrinsic pro-social value system through the process of self-discovery, behavioral change, exploration of unhealthy feelings and experiences, and symptom management and ultimately self-acceptance.
